Girls whose shoe size is above size 7 should choose a style that is as similar as possible to the regulation shoes; for example the shoes should have a strap or laces and a sturdy sole. These should be bought unworn into school for approval. In the past girls in this situation have found the following websites useful: [www.magnusshoes.com](http://www.magnusshoes.com) and [www.tallgirls.co.uk](http://www.tallgirls.co.uk)
